"Tranny, tranny, tranny, I don't really care, you want penises in women's bathrooms,
and I'm not going to have it OK, no, thank you – it's disgusting." US Representative Nancy Mace

"**The atomic age is ending.** One age of deterrence, the atomic age, is ending, and a new era of deterrence built on A.I. is set to begin." War Profiter Fascist Alexander Karp

"The story goes like this…Neo-China arrives from the future. Hypersynthetic drugs click into digital voodoo. Retro-disease. Nanospasm." Right Wing Dipshit Nick Land

Babylon is Burning

gather
all the angel
ash

whilst
watching
the executions
with whatever
we bought
on 3rd

we'll find god
in a graveyard
we'll resurrect
goats,
grandfathers
anything
to cover
the quiet

they'll
serve
gladiators
steak
as they starve
a Gazan
born
in a barn

so set
the streets aflame
riot
with a football flag

bring a knife

and narcan
shred
your gender marker

the world is dying
so dance
on
the dead

Doe

My mother plays a calf

Sucking
Straight
From the
Spigot

Eyeing me
From the foot
Of the bed

Eyes
Glowing
Snarling

She’s barking

But
At the slightest
Snore

She ran
Shaking
Crying

Liquid dripping
From the lip
Glass Shattered
On the Carpet

3 Furries On A Couch in Springfield Illinois

not noon
or night

windows blackened
the television
a star
a sky
a constellation
for staring
for howling

a sniffing
of cassette cleaner

of
chains
canines
squeaky toys

licking cheap brew
off our t-girl's tummy

of drowning
so
desperately

a piling
of flesh
laughter
jabs

our manager
doesn't need to know

what happens

Suburbia

he began in Rome
maybe Axum
stammering towards
Stalingrad
to Naha
Tenochtitlan,
Cairo-

his back
blackened
cracked
and peeled
tanned
a leathering-

his whip
his arm
crackling
against his back
citing scripture
and Lucky Charms

a girl
peeks
‘tween blinds
trying to drown
his calls
the screams for god
behind psilocybin
and showtunes

her eyes
held by bags

“at least
he’s happy”
she whispers
back to Quake
and 4tran forums

the man screaming
of a winged man
trumpeting
through Gaza

of children starving
from Abundance

“he’s not leaving
is he?”

Midwest Emo (I think. idk ive never listened to korn)

Kissing,

crying,
in the dark

eating,
Don’t touch
That fucking switch
in the

Drinking,
Smoking

A zine about ketamine tattoos, furry threesomes, drinking PBR, praying on all fours, how to take down Flock cameras (in Minecraft) and life at the end of the world.
